Subject: Requesting Your Signature on AB 1520 (Burke & Rubio)

Dear Governor Brown,

As a coauthor of AB 1520, I respectfully ask you to sign this piece of legislation. The Lifting Children and Families out of Poverty Act would establish a task force that will prepare a report to the Legislature and the Executive Branch by November 1, 2018. This report will contain recommendations regarding how the State of California can help lift our children out of the deep poverty that so many are trapped in.

Certainly, abnormally high housing and utility costs in California leave many families without enough money left to properly care for the other necessities of life and this report will hopefully inform us as policymakers how we can respond to that reality.

Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "Joel Anderson".
